Matching numbers to groups (1 to 10)

Children learn to make collections and match these to numbers to 10 early in Kindergarten.

Cut out these number cards and match them to collections on page 2.
Matching numbers to groups (1 to 10)

Children learn to make collections and match these to numbers to 10 early in Kindergarten.
Cut out the number cards on page 1 and match them to the correct group of pictures.

Remember to praise all efforts and to help your child as required.
